### **Gifts of Love Campaign Receives \$25,000 Boost from Northwest Community Bank**

On October 28, 2013, the Avon-based Gifts of Love received \$25,000 from Northwest Community Bank in support for its \$2 million campaign to acquire its own building. The new facility, at 34 East Main Street in Avon, and a merger with the Community Farm of Simsbury, will allow Gifts of Love to serve more people experiencing a financial crisis both inside and outside of the Farmington Valley. Gifts of Love Board President Jeremy Greshin states, "Northwest Community Bank has always been a solid friend and supporter, and we are grateful for this help with our campaign."

Northwest Community Bank supports numerous causes and nonprofits for essential programs throughout the area, and dedicates a portion of its annual budget to help fund these programs. Northwest Community Bank is a mutually owned state-chartered bank, headquartered in Winsted, Connecticut since 1860 and a FDIC member. The bank's main office is in Winsted, and has branches in Avon, East Granby, Granby, New Hartford and Torrington; and an academic branch at Northwestern Regional High School in Winsted.
