

Pre-pay January 2018 Escrowed Real Estate Taxes

If you would like to pay your January 2018 real estate escrow payment in this calendar year please contact a bank representative via email at loanservicing@ctmutual or call 860-379-7561 to set the process in motion.

We will require a signed document in order to finalize the request. Deadline is December 28, 2017.

Loan Servicing will make every possible effort to pay these bills before year end. Due to the late approval of the state budget, each tax bill will need to be researched and verified as some towns have supplemental bills, mill rate changes, etc. Customers may want to contact their town tax collector before year end to confirm receipt of the tax payment.
